## TEACHERS!!

Would you like some extra money for a special classroom project?

Is there something extra that would help your students in your classroom to understand a concept just a little bit better?

Do you run an after school CLUB that needs resources to help it run smoother & more efficiently?

## The Reuther PTSA is here to help.

At our 9/28/2011 membership meeting, PTSA approved a \$500 expense for *Teacher Grants* from our 2011-12 year budget. Grants would be given up to \$50/teacher. This money is available for you to spend on educational needs. These could be items that might not be able to be purchased through the normal RCS budget process. This money will be given out on a first come/first served basis. IF our fundraisers do well, we will propose additional funds to be used for more *Teacher Grants*.

Grants available to Reuther Staff PTSA Members only. Funds used must benefit ALL kids in the classroom or club. Anything purchased with PTSA grant funds will become permanent property of Reuther Middle School.

Fill out the attached application and put it in the PTSA mailbox in the Main Office. The application will be reviewed by the PTSA Board and presented to the membership at the next meeting.

We are happy to help with your education needs. Thank you for being such wonderful teachers!

If you have any questions, please contact any of the PTSA Board members.
