

# Senior All Night Party 2012

## Donations / Solicitations

We would appreciate every parent's help in finding great prizes for our seniors. If you have ANY suggestions, ideas, or contacts, please notify us. Consider asking friends, family, neighbors, or employers to contribute something special to our graduates. Any item that a senior may find useful or fun is appreciated. Arrangements can be made to pick up any items. A few ideas are listed below. Financial contributions are also welcome. Donors' names will be listed in the graduation program and local paper, so this is great advertising for businesses.
