DISTRICT VOLUNTEERS

Volunteers to Rochester Community Schools may be used on a temporary basis to give support to a classroom or program. The following guidelines are to be used as volunteers are assigned to classrooms or programs:

- Volunteers are appreciated but should not be a distraction to the school environment.
- If a volunteer will provide support to a classroom or other program which will involve supervision of, or significant interaction with, students that volunteer will be required to have a Michigan State Police Internet Criminal History Access Tool (ICHAT) criminal background check annually by completing the district ICHAT Authorization Form (Attachment A) and submitting it to the Executive Assistant to the Assistant Superintendent for Business Affairs.
- The ICHAT criminal background check must be completed prior to the volunteer being assigned.
