Foreign Language Dictionary

Individual classes (such as study skills, multi-media or choir) may suggest additional supplies.

~The fabric book covers are too small for many of our textbooks. We request that you cover your books with paper book covers or brown paper bags.

~It is highly recommend that supplies such as pencils, binders, spiral notebooks and folders are replenished at the start of second semester.

The Rochester Community Schools provides all necessary materials and supplies for curricular classes. Parents who wish to supplement these materials and supplies for their student in this class may consider purchasing any of the above items.
