Website: [www.GoldstarEnrichment.com](http://www.GoldstarEnrichment.com)

**Small Groups and One-on-One Services for**

**1<sup>st</sup> – 5<sup>th</sup> Grade Students in the areas of:**

**Reading/Writing**

**Math**

**Advanced Placement Prep (for grades 4 and 5 only)**

**Technology**

**Our TEACHERS make the difference. Goldstar Enrichment Learning is a learning center unique from any other in the area because it is actually ran by TEACHERS and has a long-term focus of empowering students to learn through small group or one-on-one instruction, with the same approach and learning that teachers exemplify in their own classrooms.**

**Every session is facilitated by experienced classroom teachers that have extensive knowledge about each of the grade level content expectations, best practice of teaching, and how to differentiate to all types of learners as they do in the classroom.**

101 Rochdale South, Suite B  
Rochester Hills, MI 48309

**MEADOWBROOK CENTER FOR LEARNING**  
**Tutoring Preschool - adult**  
**248-656-3806**

**Sample of Some Programs & Services:**

**ACT/SAT preparation** - we offer individualized as well as small group sessions with special pricing for package sessions.

**Speech Therapy** - we have a trained and certified speech pathologist.

**Occupational Therapy** - gross & fine motor coordination, sensory integration.

**All subjects including foreign language** - all of our staff are qualified and hold appropriate credentials and are masters in their subject area. Most of our tutors are either current or former Rochester teachers who are highly regarded in their field.

**All levels** - preschool to adult, we address students in every level of education.

**ADHD, Autism & Dyslexia** - our specially trained teachers are able to address various learning styles and challenges.

**Interactive Metronome** - Helps with ADHD, auditory processing disorder, autism, dyslexia and reading disorders. For additional information see our homepage and click on the Interactive Metronome button for a link.

**One-on-One** - all tutoring is individualized to fit the needs of the students. We try to match the right tutor with each student.

**Orton Gillingham trained** - a phonetic program created to help students use coding techniques for reading and writing.

**Handwriting** for children ages 4-13 - offers a creative, multisensory approach to help children master the skills of handwriting such as grip, hand-eye coordination, posture and motor planning. Taught by a board-certified occupational therapist assistant.

**Reading Readiness** - students are prepared for reading when they can read their own name; recite the alphabet; recognize some or all of the letters of the alphabet; correspond some or all of the letters with their correct sound; make rhymes; hold a book upright correctly; recognize that the progression of the print is left to right, top to bottom; echo simple text that is read to the child; recognize that text holds meaning; re-tell a favorite story.

**Reading and math remediation**

**College application essays**
