Small Groups and One-on-One Services for

1st – 5th Grade Students in the areas of:

Reading/Writing

Math

Advanced Placement Prep (for grades 4 and 5 only)

Technology

Our TEACHERS make the difference. Goldstar Enrichment Learning is a learning center unique from any other in the area because it is actually ran by TEACHERS and has a long-term focus of empowering students to learn through small group or one-on-one instruction, with the same approach and learning that teachers exemplify in their own classrooms.

Every session is facilitated by experienced classroom teachers that have extensive knowledge about each of the grade level content expectations, best practice of teaching, and how to differentiate to all types of learners as they do in the classroom.

101 Rochdale South, Suite B
Rochester Hills, MI 48309

MEADOWBROOK CENTER FOR LEARNING
Tutoring Preschool – Adult
248-656-3806

ACT/SAT Preparation - We offer private as well as small group sessions with special pricing for package sessions.

ADHD, Autism & Dyslexia - Our specially trained teachers are able to address various learning styles and challenges.

ADHD Social Skills Camp - This program will help children understand social cues, how ADHD impacts friendships, practice taking turns, learn conflict resolution skills, emotional regulation, and have better communication. Run by a certified social worker.

All subjects including foreign language - All of our staff are qualified and hold appropriate credentials and are masters in their subject area. Most of our tutors are either current or former Rochester teachers who are highly regarded in their field.

College application essays

Foreign Languages - Teachers are fluent in Spanish and German.

Handwriting - Offers a creative, multisensory approach to help children master the skills of handwriting such as grip, hand-eye coordination, posture and motor planning. Taught by a board-certified occupational therapist assistant. (For children ages 4-13)

Interactive Metronome - Helps with ADHD, auditory processing disorder, autism, dyslexia and reading disorders. For additional information see our homepage and click on the Interactive Metronome button for a link.

Occupational Therapy - Gross & fine motor coordination, sensory integration.

One-on-One - All tutoring is individualized to fit the needs of the students. We try to match the right tutor with each student.

Organizational Skills - This seminar is for middle to high school students and will address organizational skills, help develop better strategies for studying, writing papers and taking notes in any subject. Run by a certified social worker.

Orton Gillingham trained - A multisensory, sequenced, phonetic program created to help students use decoding techniques for reading and writing.

Reading and math remediation

Reading Readiness - Students are prepared for reading when they can read their own name; recite the alphabet; recognize some or all of the letters of the alphabet; correspond some or all of the letters with their correct sound; make rhymes; hold a book upright correctly; recognize that the progression of the print is left to right, top to bottom; echo simple text that is read to the child; recognize that text holds meaning; re-tell a favorite story.

Speech Therapy - We have a trained and certified speech pathologist-available summers only.
