PLAYGROUND REMINDER:

Outdoor play is a priority for our School Age Care programming and we greatly appreciate community members helping to keep our kids safe. This is a gentle reminder that from 3:45-6:00 pm daily our playground is reserved solely for School Age Care use. This is a policy that is in place for all Rochester Community Schools that have School Age Care programming and is in place for our student's safety. The School Age Care caregivers are responsible to enforce this policy and will ask students or community members to leave the playground during this time. We appreciate all members of our community planning their use of our Brewster playground around these reserved times! Thank you for helping to keep our kids safe.

HOMETOWN HUSTLE: Saturday, May 12th 8:30 am
