RELATIONS WITH NON-PUBLIC EDUCATIONAL INSTITUTIONS

In order to maintain positive relationships with other educational institutions, the Superintendent/designee shall:

1. Maintain communication with the administrators of all private and parochial schools which enroll significant numbers of students who reside in this District, to keep apprised of planned program changes which could affect the District.
2. Support the implementation of all State and Federal programs administered by the District which benefit eligible students attending private or parochial schools.
3. Welcome representatives of higher education institutions who wish to speak to our students interested in attending their college upon completion of secondary education.
4. Encourage local colleges/universities to offer college credit courses in the District for adult or continuing education participants.
5. Encourage local colleges/universities to provide graduate level courses for the benefit of District staff members.
