AWARDING ROCHESTER HIGH SCHOOL DIPLOMA TO QUALIFIED WORLD WAR II AND KOREAN CONFLICT VETERANS

The Board of Education recognizes the service provided to the country and the individual sacrifices made by World War II and the Korean Conflict veterans.

Since many of these veterans left high school in order to fight for their country, the Board wishes to recognize their efforts by awarding a high school diploma to qualified military veterans or next of kin in accordance with Public Act 181 of 2001 and Public Act 203 of 2003.

The Board of Education authorizes the Superintendent/designee to notify the community of this opportunity and accept applications and documentation on the forms provided by the Department of Military and Veteran Affairs, Veterans Affairs Directorate. The Board may then authorize the awarding of a Rochester High School diploma.
