The Silent Killer

From Your Medicine Cabinet to Heroin

Named one of Amazon's Best Books of the Year 2015

Keynote Speaker: Sam Quinones

Author of *Dreamland: The True Tale of America's Opiate Epidemic*

Sam Quinones is an acclaimed journalist, storyteller, and expert in the devastating heroin epidemic that is currently gripping our nation. He will explain how misrepresentations by Big Pharma, gross over-prescribing of pain pills, and changes in Mexican drug cartels created a perfect storm that moved heroin use and addiction from poor inner-city neighborhoods into every middle and upper class suburb in America.

With opening remarks by Oakland County Sheriff Michael Bouchard describing the impact of the heroin epidemic in our community and efforts undertaken to combat this growing problem.

Panel Discussion:

- Discover the truth: **Heroin is everywhere.** Learn the signs and symptoms of prescription drug abuse, which can lead to heroin use, and what you can do to prevent this epidemic from affecting your children and your family.
- Learn about substance abuse prevention resources in our community and resources available to provide hope and healing for those who have been impacted by substance abuse and addiction.
