

Insurance Option Summary Public School Retirees

Your Health Plans

The Office of Retirement Services strives to be good stewards of your pension and healthcare dollars. We work with the Michigan Public School Employees Retirement System Board yearly to maintain a quality plan and remain fiscally responsible for the future of our retirement

system. We offer several competitive insurance options to choose from. Below are the current options. Plan offerings are updated regularly, so check the ORS website for the most current information.

Enrolling in or Changing Insurance After Retirement

Enrolling after retirement. If you are enrolling yourself, your spouse, or dependents in insurance after retirement, your coverage will begin on the first day of the sixth month after ORS receives all required forms and proofs. For example, if we receive your request on February 10, your coverage would begin August 1.

If you or a dependent has a qualifying event and ORS gets the request and proofs within 30 days of the event, coverage can begin sooner. For retirees who do not have Medicare, coverage can begin the first of the month after the month we receive your completed application and proofs. For retirees with Medicare, if we get your request and proofs by the 15th of the month, we will enroll you the following month. If we get the request and proofs later, but within 30 days of the qualifying event, you may not be enrolled until a month later.

Personal Healthcare Fund (PHF). If you have PHF, you cannot enroll in insurance after you have retired. You can only change plans. If you're not sure if you have PHF, check miAccount www.michigan.gov/orsmiaccount.

Changing plans. To change your insurance plan, log in to miAccount and click on Insurance Coverage, or complete an *Insurance Enrollment/Change Request (R0452C)* and return it to ORS along with all required proofs.

If you are currently enrolled in an HMO, you must remain in the HMO for at least six months, unless coverage is no longer available in the coverage area.

Coverage will begin the first day of the month after ORS receives your materials if you are enrolling in BCBSM or moving out of an HMO coverage area. Coverage will begin the first day of the second month if you are voluntarily changing HMOs.
