Makerspace Club at Hart

A Makerspace encourages students to learn-through-doing focusing on the STEAM (Science, Technology, Engineering, Arts, Mathematics) initiatives. Making can involve building, tinkering, inventing, programming/coding, and crafting. We will have specific design challenges but also offer free exploration time with tools like Makey-Makeys, Sphero robots, Legos, Knex, and LittleBits circuits.

This year we will have a 1st Semester Makerspace Club and then a new group of students can sign up for 2nd Semester when I send out another announcement in January. This allows more students to participate during the year. The 1st Semester Club will meet every Wednesday afternoon in the Media Center from 2:30-3:30 p.m starting on October 11th and ending January 17th. If you're interested in joining the Makerspace Club for the 1st Semester, please pick up a Club Contract in the Media Center or download a copy from the Makerspace webpage [here](#). The form can be found at the bottom of the page. There is a cost of \$30, and the club will be limited to 25 students so turn your form in quickly to the Media Center or Mrs. Trimboli's mailbox in the Main Office. If you have any questions, please contact Kristi Trimboli at 248-726-4504 or ktrimboli@rochester.k12.mi.us.

Calling all parents! Please send in all your Box Tops for Education and Labels for Education to the main office to help us earn money for our school with these programs! More information will be forthcoming about Target's RedCard, Hollywood Market's Apples for Students program and Kroger Community Rewards. These programs help us earn money for the school to purchase new equipment for teachers and is no extra cost to you. As you go about your regular shopping, you will be earning money for our kids.

If you are interested in helping us process the box tops, labels, and register for these rewards programs, please contact the committee chair, Beth Woodward, at Beth.woodward@outlook.com or just sign up online at <http://www.signupgenius.com/go/10c0948a4ad2ca64-hart>

Soaring Students:

The Soaring Students are in need of parents to jump start this amazing service-focused club. We are modeled after the Key club at the high school and will be meeting once a month in addition to a monthly service opportunity. We cannot restart this club without passionate and enthusiastic parents. Please consider helping us bring back this incredible activity to our school. Contact Alice Moo at alicemool@gmail.com if you are interested. You can also sign up online at <http://www.signupgenius.com/go/10c0948a4ad2ca64-hart>

Green Committee/Eco Club:

Do you have a passion for the environment? Do you want to know what we can do as a school to promote initiatives at our school that are eco-friendly? Do you want to help revive the Eco club as a way for students to take an active role in find ways to increase the awareness of the Hart Community regarding our environmental impact and responsibility to our world? If any of this sounds great to you, please contact Jane Dick, chairperson of our Green Committee, at janemhd@yahoo.com. She will be happy to discuss what Hart is doing and what the Rochester Community Schools PTA council is doing to promote green initiatives throughout the district.
