* Free and Reduced Meal Application and Consent Forms must be processed for qualification. Students who qualify for reduced price meals pay 25% of participation fees. Student who qualify for free meals do not pay a fee.

** Generally sports require the student to provide their own shoes and personal items. Downhill skiing requires student's own equipment and student paid lift ticket. Hockey is a self-funded sport, participation may cost \$1,500-\$2,500 per player. Lacrosse is a self-funded sport, participation may cost \$300-\$500 per player. Additional competitions, desired personal items, or other team choices may require payments.

Participation and fees for enrichment classes, intramural classes, before and after school care, summer school, or preschool, vary and are published by the managing departments.

Special field trips, dances, special events, year book fees, graduation gowns, class rings . . . are priced and determined at each school.

All checks should be made payable to: **Rochester Community Schools**
