

# Welcome Committee Mentor Family Program

Each year, many families join the fantastic Delta Kelly community, and they are either experiencing elementary school for the first time with their oldest child beginning Kindergarten or have children in other grades who are transferring from another school. Whichever it may be, they will undoubtedly have questions. In an effort to alleviate the potential stresses of a new school, the PTA Welcome Committee has implemented this mentor program to match interested new families with a veteran DK family to help them in navigating the waters of our school.

Matches will be made as close as possible to the beginning of the school year. Veteran families will be given the contact info for their match family and asked to reach out and establish a connection.

If you would like to be paired with a family, please provide the info below, and if you have any questions, please don't hesitate to ask.

Sincerely,
