

My name is Emily Doher, and I am the Lead Teacher in your child's preschool classroom. This will be my 4th year as a Lead GSRP Teacher for Rochester Community Schools. Thank you for letting us guide your children toward their personal best Kindergarten readiness this year! I received my Bachelor's degree in Education from Central Michigan University. I am especially passionate about early childhood—because of this, I will be starting graduate school at Oakland University (Go Grizzlies!), and majoring in Early Childhood Education this fall. I love reading, travelling, and spending time with my family, friends, and fiancé, Jeff. I can't wait to work with you and your children—together we will accomplish great things!

My name is Alysha Roll, and I am the Associate Teacher in our GSRP classroom this year! I have worked with children for a few years, but this is my first year being a part of the GSRP team! I have received my associate degree from Macomb Community College in Early Childhood Studies. I am currently working towards my bachelor's degree in Early Childhood Studies at Rochester College. A few things I personally enjoy doing is going camping, traveling, and being creative while scrapbooking. I can't wait to get to know you and your children more!
