

Dear Toddler Time Together Families ,

***Welcome to Toddler Time Together Fall Sessions 2018***

I hope your family has had a fun filled Summer making many happy and special memories together. I am thrilled that you will be joining me this year in Toddler Time Together and am so very excited to meet you and your little ones on our first session together on Friday 14th September.

Please let me introduce myself.

My name is Mrs Leanne Thompson and this will be my fourth school year working with Rochester Community Schools . I have been fortunate enough to have worked in both Pre K 3 and Pre K 4 classrooms and last year I commenced working in the Parent Tot Program that has now taken on the new name of Toddler Time Together.

My husband and I have two teenage children, who also attend Rochester Community Schools.

As a family we love to spend time being outdoors , walking our dog and traveling together.

In my spare time I love to bake, read and go to the theatre.

I have Qualifications in Early Childhood Development and Family studies and have a passion for Early Childhood Literacy and Children's Development and Play Based Learning.

Toddler Time Together is a wonderful program that gives Parents and or a Caregiver along with their toddler the opportunity to spend time playing , learning and growing together .

It gives Parents and Caregivers an opportunity to meet, socialize and network with other adults as well as being a foundation for children to explore a learning environment while having a familiar adult with them supporting their growth and development.

In the coming days I will forward to you via email a copy of our class schedule and more specific instructions as to where to park and meet on our first day .

If you have any questions, please feel free to reach out to me at any time.

I look forward to an exciting and fun filled time with you all in

Toddler Time Together this Fall

Fondly

Leanne Thompson
