**Course Description:** V-Math is a targeted intervention program for elementary and secondary students. V-math delivers essential content using strategies proven to accelerate and motivate students. V-math's balanced, systematic approach creates successful learning experiences for students and develops confident, independent learners of mathematics. It includes explicit instruction and a range of targeted assessments to inform teachers and support data-driven decision-making, ensuring that instruction is always differentiated to meet each student at his or her level.

**Materials Provided:**

- Workbook (this stays in class and is a workbook for daily lessons)
- Folder for notes and class information

Rochester Community Schools provide all necessary materials and supplies for curricular classes. Parents who wish to supplement these materials and supplies for their student may consider purchasing the following items **by Monday, September 10th:**

- Calculator
- Spiral Notebook for Daily Bellringer
- Binder and 1 binder tabs
- Box of Kleenex (suggested donation)

**VMath website and VMath Live**

<http://vmath.voyagerlearning.com>

<https://www.vmathlive.com/login>

Each student has their own username and password. This website contains a digital copy of the student's workbooks. They can also access V-Math Live through this site or go directly to VMathlive.com. Students will be asked to complete various activities from V-Math Live at home for credit.

**Grading:** Students can earn points on worksheets, homework, participation, quizzes, and tests. A maximum number of points will be determined and the students' grade will arise from how many points out of that maximum value they have earned.

The Rochester Community Schools High School Grading Policy is as follows:

100-95 is an A	76-73 is a C
94-90 is an A-	72-70 is a C-
89-87 is a B+	69-67 is a D+
86-83 is a B	66-63 is a D
82-80 is a B-	62-60 is a D-
79-77 is a C+	59-0 is an E

Per district policy, semester grades are computed by averaging the first and second marking period plus final examination grades in the following proportions: Exams 10% Marking Periods 45%
