Thank you to everyone that has completed their online emergency card registration for their child. We still have a few more families that need to complete the online emergency card. Please check to see that you have completed the registration. It appears many families started the process, but did not finish submitting the form. Email confirmations and acceptance confirmations are sent once the form is complete. Log on to your ParentVUE account to review and update your child’s emergency card as soon as possible. Our staff is without important contact and health information when this registration is not complete. Technology and photo release information are also included in this registration process. If you have any questions, or need help, please visit our district website at www.rochester.k12.mi.us and click on the ParentVUE tab.

2018 UHills Eagle Dash

Get ready! The annual Eagle Dash is coming your way Friday, October 5! The Eagle Dash is the PTA’s biggest fundraiser and is an active, exciting day for students. Your generous donations to this event are used to fund the many committees, enrichment programs and assemblies that enhance student education throughout the school year. In addition, money raised through the Eagle Dash is used to purchase important educational tools that make University Hills a top school in Rochester Community Schools.

On the day of the Eagle Dash, students will run as many laps around the “track” as they are able to in the 20 minutes they are given. They will then get a chance to tally their laps and enjoy a snack. Parents, siblings and friends are invited to come cheer on the kids and join in the fun! Please review the attached Letter and Information pages from the PTA.
