

Brewster Reads

Each student's goal is to read (or be read to) 20 minutes or more on at least 25 days of the month. Use the calendar below to record your reading outside of school.

Using the calendar is easy...

- ❖ Mark an 'X' on each day that you read 20 minutes or more outside of school.
- ❖ If you have 25 or more X's at the end of the month, please have a parent log onto **MySchoolAnywhere** and click on the Brewster Reads signup for the month. Then select your Grade/Teacher and enter your name by the due date printed at the bottom of this calendar.

Incentives and prizes...

- ◆ All students who achieve the goal and enter their calendars by the due date will earn a special monthly prize.
- ◆ These students will also have their names entered into a year-end drawing to win one of two prize baskets for their grade.
