MIDDLE SCHOOL INTRAMURALS

Dear Parents and Students,

Welcome to the winter 2019 Intramural Season! The Enrichment Department handles the registration for intramurals. Please call or go online to register – **Do not turn in registrations to the Main Office.** Registration is first come-first served, so promptness is important. Most intramurals will run once a week from 2:30 – 3:30 for 5-10 sessions, however, the dates and times for each intramural are included on the reverse side of this flyer.

REGARDING INAPPROPRIATE BEHAVIOR

School rules apply for all intramural classes. If a student's behavior is inappropriate, he/she may be asked to report to the office and call home to be picked up early. If a second occurrence of inappropriate behavior occurs, a student may be removed for the duration of the sessions. A refund will not be issued.

NUT FREE POLICY

The Enrichment Department has a peanut/nut free policy for all of our programs. Please do not bring any food items that contain nuts of any kind into our after-school activities, but we cannot guarantee that every activity or location will be nut free.

SCHOLARSHIPS & OTHER INFORMATION

Scholarships to help cover the cost of Intramurals may be available; contact the Enrichment Office immediately for details, as the process takes time. If you have any questions about the intramural programs at your school, if you would like to suggest an Intramural, or would like to get involved, please feel free to contact the Enrichment Office at 248-726-3165 or email enrichment@rochester.k12.mi.us.

Your registration online or through the Enrichment Office is confirmation that you have read and agree to all the information and policies on this page; that you will provide transportation home immediately following the session(s) and that you understand it is your child's responsibility to listen to any announcements that may indicate a change in day or time for these activities. (Classes may be unexpectedly cancelled the day they are scheduled for. Be sure you have a plan for your student should this occur.)
