Brooklands Elementary Science & S.T.E.M Fair is Coming March 7!

Who can participate? All students K-5

Who sponsors the Science & S.T.E.M Fair? Brooklands PTA

Where do we complete the project? At home

When do we turn in the project? Bring to school on March 7th in the morning. Students will present their projects in class and display them in the gym/cafeateria all day and for an evening reception.

How do we get started? Decide on a topic and turn in an application to the PTA basket or email application to hmgamangroup@gmail.com if you wish to participate. **Due Date: February 15, 2019.**

How do we display the project? On a standard three-sided display board. 36x48 inches. Any color can be used. These boards are available at Target, JoAnns, Michaels and dollar stores.

Where can I find more information? Go to the Brooklands website page under PTA and Science Fair to find a handbook with more information, rules and the Entry Form.

VOLUNTEERS NEEDED! Please fill out the bottom of the application form or contact Heather Deller at hmgamangroup@gmail.com
