

ParentVUE – Look up Student Login

Parents of elementary students (K-5) can obtain their child’s district login via ParentVUE. If you need assistance logging into ParentVUE, please contact rcsvuehelp@rochester.k12.mi.us.

From a web browser:

After logging into ParentVUE, select your student from the top dropdown. Click on Student Info and scroll all the way to the bottom. You’ll see a couple of fields that contain student’s login information.

The screenshot shows the ParentVUE web interface. On the left is a navigation menu with options: Home, Messages, Calendar, Attendance, Class Schedule, Conference, Course History, Course Request, Grade Book, Report Card, School Information, and Student Info (highlighted with a red arrow). The main content area shows sections for Bus AM, Bus PM, Lunch Balance, and Other Data. The Other Data section contains a table with columns for UIC, RHPL Library, Student User ID, and Student Password. These two columns are highlighted with a red rounded rectangle. Below the table, there is a note: "User IDs and Passwords are only visible for elementary students. Teachers update data at different times. Please do not expect instantaneous updates."

From the ParentVUE App:

After logging into the ParentVUE App, select your student from the Student List. Choose Student Info. Click on Additional Information in the bottom right-hand corner and scroll all the way to the bottom.

The first screenshot shows the 'Student List' screen with a navigation menu on the left. The 'Student Info' option is highlighted with a red rounded rectangle. The second screenshot shows the 'Student Info' screen with fields for Name, Perm ID, Gender, Grade, Address, Last Name Goes By, Nick Name, and Birth Date. The 'Additional Information' button at the bottom right is highlighted with a red rounded rectangle and a red arrow. The third screenshot shows the 'Other Data' section of the 'Student Info' page, with the 'Student User ID' and 'Student Password' fields highlighted by a red rounded rectangle. A note at the bottom states: "User IDs and Passwords are only visible for elementary students. Teachers update data at different times. Please do not expect instantaneous updates."
