

IPad OVERVIEW

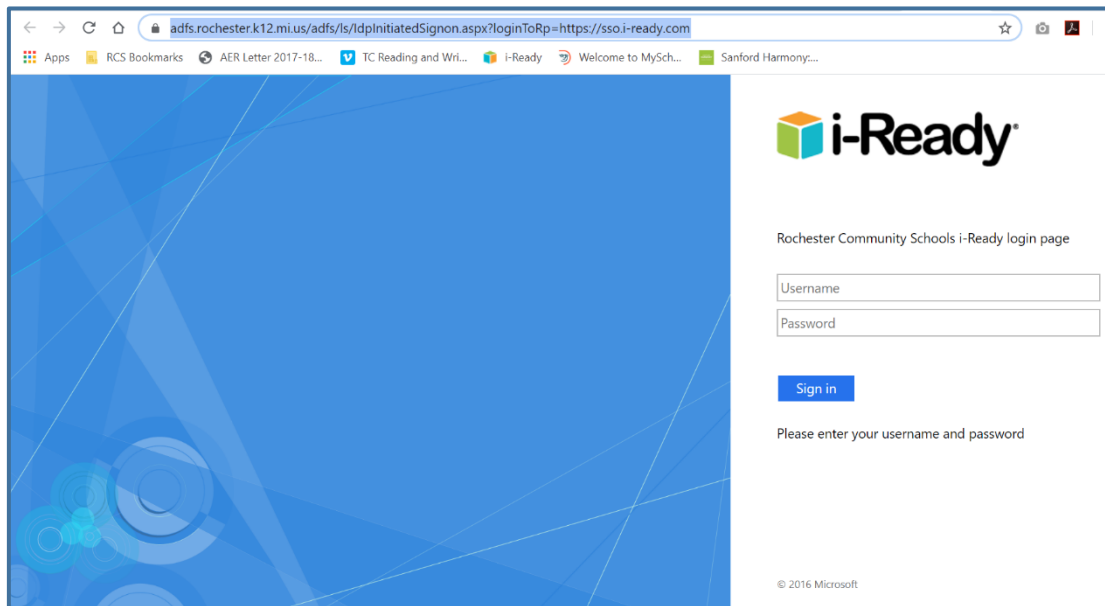

When accessing the I-Ready Online Instructional modules on an iPad, there are a couple of necessary steps to take. Specifically you will need to make sure of the following:

- Using Safari as your web browser. You will need to use the most current version.
- Reliable internet connection.
- You will need to download the I-Ready app. When you are logged into your device you will need to download the I-Ready app. It is entitled "I-Ready for Students." The icon for the app looks like:

- Access the online instructional modules at the following link:
<https://ads.rochester.k12.mi.us/ads/l/IdpInitiatedSignon.aspx?loginToRp=https://sso.i-ready.com> (A picture of the home screen can be found below).

Please note that if you conduct an internet search for i-Ready that there are quite a few links out there. It is imperative that you use the correct one.

If you have any questions that arise throughout this process please refer to the I-Ready resources that can be found on the remote learning webpage. The link to the webpage is located at the top of the district page at: rochester.k12.mi.us.
