

McGregor Informational Parent Meeting Title I

September 22, 2020

What is Title I?

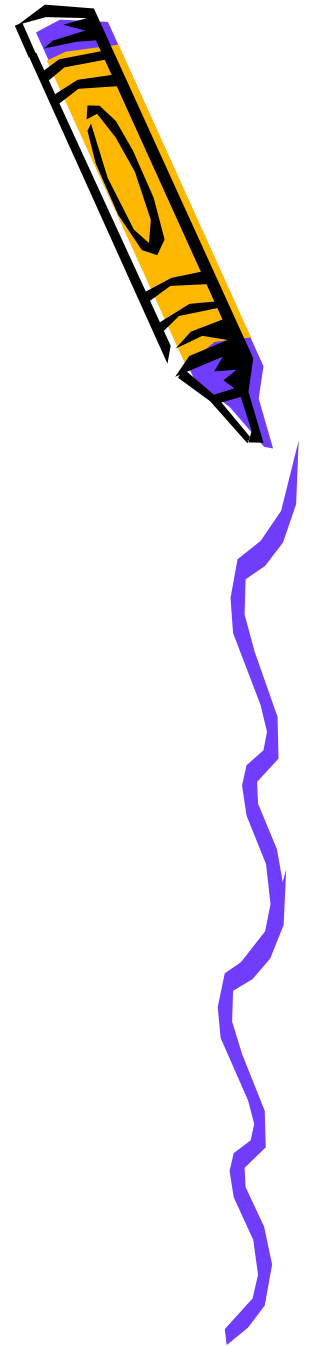

- It is the largest fund of money from the federal government through the **Every Student Succeeds Act**.
- Money is sent to the state to distribute to districts following formulas provided by the U.S. Department of Education.
- Allocations are determined by the district's Census Poverty Count.
- The funds are to be used **to provide services to students who are not meeting the school and district's academic standards**.
- Title I Programs are either **targeted** or **school wide**. McGregor receives targeted assistance.
- The programs and services **MUST be supplemental**; the district cannot use the money to pay for its basic obligations.
